TUITION FOR (2023-2024)

Tuition is based on the total education and is charged per year, not per month. We try to operate our school as efficiently as possible so that we can provide education at a minimal cost. It is important that each student's account be kept up-to-date so that we can meet our financial obligations. **Bethel Adventist Church School** will operate on a ten-month cycle, from August through May.

The first month's tuition is due on the first day of school in August. Subsequent payments are due on the 15th of each subsequent month from September to May of the school year. Payments received after the fifteenth (15th) of each month will be charged a \$15.00 late fee.

Checks should be made payable to **Bethel Adventist Church School**.

Bethel Adventist Church School is a non-profit organization and does not make exorbitant or unreasonably high demands on the parents and guardians of its students. Every effort is made to ensure that the money from tuition is utilized in an efficient, effective, and economical manner. The tuition is based on current cost for services and resources.

Parents or guardians of students whose accounts become thirty (30) days delinquent will be contacted by the School Board Treasurer in order to resolve the account. The total cost of tuition may be paid in advance for each semester or year.
